

Survival prediction in BRCA with CPH-DNN & COX-ridge
by input size with random and directed dimensionality reductions

Survival prediction in BRCA with CPH-DNN & COX-ridge
by input size with directed dimensionality reductions (PCA / UMAP)

Survival prediction in LgnAML with CPH-DNN & COX-ridge
by input size with random and directed dimensionality reductions

Survival prediction in LgnAML with CPH-DNN & COX-ridge
by input size with directed dimensionality reductions (PCA / UMAP)
